[1] Fee waived for Exceptional Checking, Exceptional Choice Checking, Business Exceptional Checking and Plus Package accounts. Non-CPB ATMs may impose surcharges that are separate from and in addition to the Non-CPB ATM Transaction Fees described in this schedule. Such ATMs should disclose these surcharges at the beginning of the transaction. Some CPB checking accounts offer surcharge rebates; please ask us for details.

[2] Additional International Transaction Fees may be assessed by MasterCard®.

[3] Overdraft and/or return item fees will be assessed for each check, automatic payment, in-person withdrawal, electronic fund transfer or other withdrawal you make from your checking or money market account that exceeds the available balance in your account (or available overdraft protection limit, if any).

Personal accounts will be charged no more than \$150 per day for overdraft and return item fees combined and business accounts will have no limit on overdraft or return item fees that can be charged per day. Overdraft and return item fees will not be charged for transactions of \$5 or less.

When you make a purchase with your debit card, the amount of the purchase is not deducted from your account immediately. First, the merchant sends us an electronic message to check if you have enough money in your account to complete the purchase. If the payment is authorized, we receive the transaction for payment later. Until we receive the transaction for payment, we hold funds in your account for the transaction for up to three business days. This hold on your account will reduce the amount of money you can use, and may result in an overdraft if we receive other transactions before your debit card purchase is paid, and can result in a paid hold fee or a return hold fee.

For checking accounts with Overdraft Privilege, please refer to the Overdraft Privilege Disclosure for additional information.

[4] Fee waived for Starter Savings.

[5] Fee applies to savings and money market accounts that exceed 6 limited transactions during the month. See the Deposit Account Agreement & Disclosure for details on limited transactions.

[6] This fee applies when paper statements are provided to Value Checking and Value Plus Checking Accounts. The fee will be charged per statement period. This fee can be waived in one of three ways:

- Enroll in Online Statement service through Online Banking (if Online Banking is available for your account), or
- Link your Value Checking Account or Value Plus Checking Account to a consumer Exceptional Plan, or
- Maintain an average balance of \$500 or more during the statement period. The average balance is calculated by adding together the ending balances from each day during the statement period and dividing the total by the number of days in the statement period.

[7] Fee waived for Consumer Exceptional Plan customers.

[8] Available at select branch locations. Please call our Customer Service Center at (808) 544-0500 or toll-free at 1-800-342-8422 for locations.
